Outdoor Cushion

Striking Graphic Print Cushion by Alexis Snell

Taking its cue from the Sonic Youth song of the same name this simple design is reminiscent of the old matchboxes and record sleeves which artist Alexis Snell looks to for inspiration. The stealthy panther silhouette contains type in a graphic, handwritten style and is striking against a vibrant orange background and hot fuchsia velvet piping. This simple yet effective image is printed onto fabric using EcoFast digital pigment printing methods, which use 50% less water than traditional print techniques.

This outdoor cushion has a shower resistant finish, which is also anti-mould, anti-mildew, and anti-microbial, and has been filled with a hollow fibre pad. We do recommend, however, that these scatter cushions are looked after carefully and are best used in dry weather. As with most outdoor textiles, they prefer to be stored inside when they are not being used, or during periods of wet, cold, or damp weather.
