Leopard & Pears Paradise

Cushion

Striking Graphic Print Cushion by Alexis Snell

This kaleidoscopic illustration was created by Alexis Snell and based on one of her son's psychedelic dreams. Look closely at this richly layered tapestry and you can spot various motifs including leopards, flowers and snakes. In a vibrant combination of hot pink, baby blue and rich orange this detailed design was printed onto fabric using EcoFast digital pigment printing methods, which use 50% less water than traditional print techniques. Smooth velvet piping in matching fuchsia provides the finishing touch.
