Thai Supper Club Storm

Cushion

Striking Graphic Print by Alexis Snell

Originally designed by Alexis Snell for a hotel supper club we loved the joyful tone of this detailed and stylised illustration. In a crisp grey shade to create a graphic two tone design this image was printed onto fabric using EcoFast digital pigment printing methods, which use 50% less water than traditional print techniques. Smooth velvet piping outlines the illustration and provides the finishing touch.

Also available as an outdoor cushion. [Shop Thai Supper Club Storm Outdoor.](#)
