

ANDREW MARTIN

Sleepy Mountain Granite

Jumbo Throw

Jumbo sized luxurious grey cashmere throw

Designed in collaboration with Abbey Clancy this laid-back throw offers an easy yet luxurious way to layer up your interiors. Crafted from 90% merino and 10% cashmere yarns for a beautifully soft feel the subtle geometric design is fully reversible in fresh white and grey shades. Traditionally woven in Scotland by a generations old mill this throw has been neatly finished with an exposed blanket stitch around the edge for a contemporary look and is substantially thicker than our regular throws for an even more luxurious feel.

Each throw is individually wrapped and boxed with a handwritten note from Abbey inside.
