Lennon Astronaut

Neon Artwork

Beatles Neon Artwork

Introduce some retro cool into your interiors with this playful landscape neon artwork depicting musical legend John Lennon ready for an intergalactic journey through space. Wearing a silver space suit and helmet illuminated by a circular red neon light the iconic Union Jack appears behind. Mounted onto board for a striking three dimensional effect against the wall this image has been printed into aluminium for extra sheen. This big poster board style artwork adds playful humour and slick, urban cool to a room.
