Bud Pink

Cushion

Floral pattern cushion in pink

A soft and plump square cushion created from our floral Bud fabric in pretty Pink. Finished with smart ticking stripe Picket, it is designed to be styled with the other small-scale prints and complementing colours of the Garden Path collection, a homage to the English Garden.

Both fabrics used in the design form part of our Garden Path collection, which is printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.
