Sprig Honey

Cushion

Floral motif cushion in yellow

A soft and plump square cushion created from our dainty floral motif [Sprig fabric](#) in warm golden Honey. The inspiration for this design came from an original Indian wood block used for printing. Finished with smart ticking stripe, [Picket](#), it can easily be incorporated into your interiors alongside the other small prints and complementing colours of the [Garden Path](#) collection, a homage to the English Garden.

Both fabrics used in this design are printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.
