

# ANDREW MARTIN

## *Maze Orange*

### Cushion

*Orange geometric cushion with pink spots*

A soft and plump square cushion created from our small-scale geometric Maze fabric in warm zingy Orange, with a pop of pretty pink. Finished with smart ticking stripe, Picket, it can easily be incorporated into your interiors alongside the other prints and complementing colours of the Garden Path collection, a homage to the English Garden.

Both fabrics used in the design are printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.
