Maze Sky

Cushion

Blue geometric pattern cushion with grey spots

A soft and plump square cushion created from our small-scale geometric Maze fabric in soft Sky blue, with a pop of contemporary grey. Finished with smart ticking stripe, Picket, this design can easily be incorporated into your interiors alongside the other prints and complementing colours of the Garden Path collection, a homage to the English Garden.

Both fabrics used in the design are printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.
