Picket Denim

Cushion

Blue ticking stripe feather cushion

A soft and plump square cushion created from our [Picket Denim](#) fabric, a classic ticking stripe. Finished with neat self-piping, this cushion has been designed to be styled alongside the other small-scale prints and similar colours of the [Garden Path](#) collection, a homage to the English Garden.

The fabric used in this design is printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.
