Bud Ruffle Sky

Cushion

A joyful rectangle cushion made from our floral [Bud](#) fabric in pale Sky blue, with a charming contrast ruffle in free-flowing squiggle print, [Pollen](#). A perfect size for layering with our larger square cushions or used on its own to add cosiness and sophistication to any bed or chair.

Both fabrics used in the design form part of our [Garden Path](#) collection, which is printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.
