Noble Oak Autumn

Cushion

Oak leaf print cushion designed with Sophie Paterson

A soft and plump cushion created from our [Noble Oak](#) fabric in rusty Autumn, designed in collaboration with interior designer, Sophie Paterson. The hand drawn free-flowing pattern reminds us of leaves blowing in the wind or fluttering through the air on a breezy Autumn day. Piped in luxurious [Noci Natural Gold](#) trim for an elegant flourish, this feather-filled cushion is perfect for mixing with the other colours and prints of the [Woodland collection](#).

Printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques, ensures it is also kinder on our planet.
