Nest Autumn

Cushion

Batik pattern cushion designed with Sophie Paterson

A plump and soft cushion made from our [Nest fabric](#), designed in collaboration with interior designer, Sophie Paterson. The small-scale batik pattern reminds us of a loosely woven bird's nest and is based upon an original Batik textile. Finished with our plain [Trek Linen](#) piping for an added layer of elegant simplicity, this feather-filled cushion is perfect for mixing with the other colours and prints of the [Woodland collection](#).

Printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques, ensures it is also kinder on our planet.
