Wren Autumn

Cushion

Plain woven cushion with fringe designed with Sophie Paterson

An elegant plain cushion made from our [Wren fabric](#), designed in collaboration with interior designer, Sophie Paterson. Wren is an intricately woven fabric consisting of wool, viscose and linen with a bouclé slub yarn for added texture. Woven through the weft is a softly twisted yarn in an autumnal rust shade. A beautiful design which mimics the incredible nest building skills of this small woodland bird. Finished with [Cocktail Vesper](#) fringe for a bright rustic edge, this feather-filled cushion is perfect for mixing with the other colours and prints of the [Woodland collection](#).
