Wild Wood Ivory Outdoor

Cushion

Floral outdoor cushion in ivory

Made from **Wild Wood Ivory** fabric, this cushion features large, colourful blooms in a painterly pastel and warm orange palette. Delicately painted stems and leaves add to the botanical look, finished off with washable piping in contrasting **Houdini Blueberry** velvet.

This outdoor cushion is printed on a 100% polyester cloth with a shower resistant finish which is also anti-mould, anti-mildew, and antimicrobial. The fabric is also very hard wearing with 40,000 rubs. All cushions are filled with a hollow fibre pad. We do recommend, however, that these scatter cushions are looked after carefully and are best used in dry weather. As with most outdoor textiles, they prefer to be stored inside when they are not being used, or during periods of wet, cold, or damp weather.
