*Large designer door draught excluder in red velvet*

Made in the UK from our popular [Iznik Red](#) velvet and stuffed with an ethically sourced woollen insulating pad, this luxury over-sized draught excluder will help keep your house warm, snug and stylish.

Sized to best fit a front door, these metre long draught excluders are filled with responsibly sourced wool from British farms, in partnership with [The Woolkeepers®](#).

These wool pads are breathable, soft, and thermoregulating, whilst also being kinder to the planet by promoting biodiversity. Scan the QR code on your Andrew Martin cushion filler to learn everything there is to know about where the wool comes from.
