Fable Ivory

Cushion

Embroidered cushion in fable linen in ivory

A linen, embroidered cushion made from **Fable**, a new fabric part of our **Folklore collection**. A delicate floral embroidery in soft pastel shades on a soft, natural linen ground. This design has an old worldly Jacobean feel which depicts small flowers of ancient woodlands. Also available in Green. Piped in **Medici Chalk**.

The feather filling is sustainably sourced from Scandinavia and contains 50% recycled feather from recycled duvets and jackets.
