Mimi with Arms

Dining Chair

Mimi Dining Chair with Arms by Timothy Oulton

A reinvention of a classic 1940's French dining chair, the Mimi with arms takes a walk on the wild side with upholstery in Faded & Degraded velvet. The eclectic design adds a fun sophistication to your dining interior.

Melting Paisley has a mesmerising layered effect, transporting you through eras of time. Based ona background of faded Victorian damask wallpaper, a contrasting splattered ink overlay adds a modern expressive viewpoint onto the ornate detailing and ordered form underneath. A rich and sumptuous velvet with an unexpected visual twist.
