Armchair

Adventurous leather armchair by Timothy Oulton

Saddle up for the ride. Inspired by the heritage of equestrian pursuit, the Saddle chair evokes the spirit of freedom and the harnessing of power that a saddle represents. The Saddle's unique shape evokes adventure, speed and sporting elegance of polo, racing and hunting. Complete with actual stirrups on each side, the Saddle chair is designed with a fibreglass frame to create the sleek dynamic shape, and upholstered in Bucked N Broken leather.

An extreme, distressed finish characterised by its distinctive, aged appearance. Crafted by the most skilled of artisans, using richly textured hand finished leathers that feature scores, scratches, worn and burnished surfaces, all of which hint at a storied past. Craftsmen blend this cracked and damaged look with the leather's natural softness to create a totally unique, luxurious experience.
