Motion Chair

Luxurious sheepskin motion chair by Timothy Oulton

"Curl up and get cosy"

If wild things make your heart sing then you'll love the Shaggy chair in this statement Yeti finish. Long haired shaggy sheepskin brings plenty of wild style to your home, while bold curves, a generously deep seat and plump cushioning offer maximum sink in comfort.

Transforming at the touch of a button, this chair slides back smoothly while elevating the feet. A real standout piece that looks great juxtaposed with other materials in your living space.
