

ANDREW MARTIN

Manx Yeti

Armchair

Soft sheepskin armchair by Timothy Oulton

The rugged and muscular form of Manx, with its distinctive sweeping curves and luxuriously generous proportions, is the perfect contrast with the plush softness of the pure New Zealand sheepskin upholstery, carefully selected by hand for extraordinary softness. At once wild and wonderful, Manx pays tribute to the ruggedly beautiful Isle of Man, its Nordic leanings, and home to a rare four horned sheep breed called the Manx Loaghtan that can be found grazing the pastures.
