Dining Chair

Mimi Dining Chair by Timothy Oulton

A reinvention of a classic 1940's French dining chair, the Mimi takes a walk on the wild side with upholstery in Acid Jungle velvet. The eclectic design adds a fun sophistication to your dining interior.

A heady mix of vivid colour and equally intense darkness dance together in this sumptuously exotic velvet. Lush greens entwine with vibrant florals in a blaze of luminescence, while a dramatic black backdrop creates depth and contrast. Please note, Acid Jungle is not pattern-matched when upholstered and therefore each product will show a different pattern.
