Whitecliff

Snuggler

White linen snuggler by Timothy Oulton

Embodying a casual sophistication, the Whitecliff snuggler invites relaxation with its luxuriously thick cushioning, while slender arms lend an air of refinement. The singular bench-style seat offers generous sink-in comfort and the high back is sumptuously slouchy and cosy. Hugged in a soft linen blend with exposed seam detailing, Whitecliff's simple and understated style owes its name to England's serene White Cliffs of Dover.

Specification
