Kitty

Dining Chair

Wooden dining chair in neutral linen

This simple, but elegant dining chair offers a refined take on Scandinavian design. Kitty is formed of clean lines in a dark wooden frame, with a back and seat in neutral linen fabric. Soft curves in the frame are mirrored by the upturned padded seat and the supportive curved back.

Specification

Product Code:	CH1328
Product Height:	80 (cm)
Product Width:	59 (cm)
