## *Lily Pad Pink*

Rug

*Colourful luxury rug designed by Kit Kemp and Annie Selke*

Kit Kemp's signature aesthetic and distinctive sense of colour shines through in each iteration of this kinetic, retro inspired design. Evoking the shifting patterns and reflective surface of a lily covered water feature, each rug tells the story of refracted light through the seasons. Artfully rendered in micro hooked wool, for distinctive definition of form and colour, as well as long lasting beauty and durability.
