Road Runner Green

Rug

Green striped indoor/outdoor rug by Kit Kemp & Annie Selke

Bright and energetic these vibrant rugs will outpace any other stripe on your floors or stairs. Woven in resilient recycled P.E.T. performance threads and featuring a multitude of tonal colours crammed into exuberant mini striped vertical blocks, this durable and fade-resistant rug feels as soft as cotton but will stand up to whatever everyday life brings its way.

This design is also suitable for outdoor use although they should be stored indoors when not in use and not left out in wet or damp weather to preserve their colour and condition.
