Filippo

Side Table

Bring a little storytelling into your space with Filippo, a hand-painted side table that moonlights as a hidden storage trunk. Crafted from reclaimed pine, this compact piece is anything but ordinary—each panel is painted to resemble a grand Georgian townhouse, complete with architectural detailing, manicured gardens, and just enough eccentricity to make you smile.

Lift the hinged lid to reveal a fully lined interior in classic blue and white striped cotton, ideal for tucking away blankets, books, or anything that needs a stylish hiding place. The distressed finish and natural wood grain peeking through nod to its reclaimed roots, giving Filippo the soul of a vintage find with the finish of a modern classic.

It's a side table, it's a trunk, it's a conversation starter. Filippo is here to charm.

Each piece is individually finished by hand, resulting in subtle variations in color, texture, and surface character that make every item uniquely yours.
