Poseidon Ivory

Side Table

Poseidon is a masterclass in quiet elegance. Inspired by the balanced proportions of a Thai altar table, its sculptural silhouette offers structure without sharpness-clean lines softened by thoughtful details.

The entire frame is wrapped in fine linen, then finished in a hand-applied ivory lacquer that brings warmth, depth, and a subtle sheen. The result is beautifully tactile and quietly confident, with just the right amount of character.

It's a piece that grounds a room without dominating it-perfect as the focal point in a relaxed sitting room or layered into a more eclectic interior.
