Alp series
Designed by Ramos Bassols, Spain

Alp is designed by the Spanish design duo, Ramos Bassols, and is an exclusive series of dining tables and benches. The designers wanted to bring notice to subtility allowing the stringent and graphic lines to take centre stage and offer the viewer an almost picturesque outset. All designs are crafted from FSC-certified wood with an understated and natural expression pointed out by the clean and architectural contours, crafted details and blunt yet delicate design language guaranteed to overwhelm even the most critical eye. Detail by detail.

Meet the designer
Pensamos que nuestros productos son muy atractivos. Tienen un look sobrio con un fino equilibrio de formas. Nos encanta cuidar los detalles, pues la calidad de un producto a menudo se valora por estos detalles. Intentamos crear productos con líneas puras que, al mismo tiempo, resulten cálidos y atractivos. Cuando diseñamos, solo queremos concebir productos irresistibles que nos gustaría tener en casa a nosotros mismos. Nos fijamos en la arquitectura y artesanía. Estos dos elementos nos inspiran en mayor medida que las tendencias actuales.
