

## Visti series

Designed by Studio Nooi, Italy

---

The Visti bench creates a luxurious and refined atmosphere in the dining room. An inviting dining bench with a distinctive yet familiar style, inspired by the classics of Scandinavian mid-century design but with a decidedly contemporary twist. The seat is constructed for maximum comfort in durable, moulded furniture foam and floats within the crafted frame in solid FSC®-certified oak. Tailormade to fit your interior in your choice of upholstery fabric.

### Meet the designer

Studio Nooi was founded by Giulia Pesce and Ruggero Bastita in Torino, Italy. Giulia and Ruggero built their approach to design while studying and working as designers in Italy and Denmark. Nooi derives from the Italian word “noi”, meaning “us” – the idea being that design is never an individual act but rather a collaborative process, involving designers, companies, users, artisans and technicians. Nooi’s designs are always the result of good cooperation between people and influenced by society, art, nature and cultural heritage, and the designers are closely involved at every stage of the project development.
