

Peyote series

Designed by E-ggs, Italy

A side table with an organic design, which complements your decor and adds an honest, durable and natural look to your home. The Peyote side table is designed by the Italian design studio e-ggs and is inspired by leaves, which can be seen in the round leaf-shaped base, which also ensures solid support for the elegant, floating table top.

Meet the designer

Vi er et tværfagligt designstudie sat sammen af forskellige personligheder, baggrunde og perspektiver, der skaber en dynamisk designproces. Vi er inspireret af vores omgivelser, og den verden, vi lever i. Materialer, strukturer, farver, former og skjulte detaljer, der pirrer vores nysgerrighed. Alt sammen er med til at forme hvert enkelt design, der afspejler forskellige refleksioner og ideer. Vores designs er derfor et direkte resultat af den interaktion, der foregår. Imellem os som designere og imellem os og vores omverden.
