

## Story series

Designed by Anna Karnov & Clara Mahler, Denmark

---

Story is an elegant series of handmade side, coffee and bar tables. Each design features the distinctively airy front formed by the elegant wooden columns. Transparent enough to show off your favourite items or just covered enough to conceal them behind the playful front. The designers behind it, Anna Karnov & Clara Mahler, wanted to create a long-lasting design that meets changing needs and wishes. Emphasised by quality craftsmanship and the natural oak that changes character over the years and makes each table unique with its own original and beautiful story. The tables are made of FSC-certified wood and each table is assembled with six bolts that are creatively hidden from the naked eye.

### Meet the designer

Het Deense designduo Anna Karnov en Clara Mahler wordt gedreven door saamhorigheid en verbinding te creëren tussen hun producten en de gebruiker ervan. Hun ontwerpen moeten lang mee kunnen gaan en tegelijkertijd flexibel zijn qua functie en esthetiek. Het designduo gebruikt onder meer de vluchtigheid en finesse van de tijd als element in hun designproces en als duurzame, tijdloze parameter in het eindproduct. Daarom gebruiken ze materialen die mooi ouder worden en laten ze zich niet inspireren door vluchtige trends. Hun ontwerpen moeten lang mooi blijven en hun eigen verhaal kunnen vertellen. En dat is precies het idee achter elk ontwerp van de hand van dit designduo.
