

Pillar series

Designed by Michael H. Nielsen, Denmark

A versatile and easy side table that blends into any interior. Straightforward and durable design with an off-center pillar that lets you fit the table to a sofa or use as a flexible laptop table in any space. The tabletop is turned in solid, FSC®-certified oak with a bevelled edge that gives the design a light and inviting appearance. Designed by Michael H. Nielsen.

Meet the designer

El meu estil es caracteritza per posar el focus en els detalls i en aquest «marge» que distingeix els meus dissenys de tota la resta. Una de les coses que més m'ha influït ha estat observar la diversitat de les persones i mirar de satisfer les nombroses necessitats diferents que tenen. Sempre m'ha fascinat l'artesanía de qualitat i la interacció entre artesans i dissenyadors. El bon disseny és aquell que aporta sentit i valor a les persones que el fan servir.
