

Quadro series

Designed by OOOJA, Denmark

Life doesn't need to be complicated. In fact, it is the simplest solutions that function best. Like when you put four boxes together and get a modern, practical place to store and display your things, that's what we call QUADRO 2.

Meet the designer

Vores ideer stammer fra en boks bagerst i vores bevidsthed. En boks fyldt med brudstykker af både designs, former, materialer, følelser og funktioner – ting som tilsammen udgør smukt design. Al vores inspiration kommer fra minder, drømme, billeder, eller det mennesker siger eller har fortalt til os. Vi opbevarer disse erindringer, blander dem sammen, hvorefter de ender på papir. Nogle bliver til designs, andre bliver smidt tilbage i boksen til senere brug.
