W: 72 cm / 28.3", H: 100 cm / 39.4", D: 25 cm / 9.8"

Product description:

Our A Line Shoe Rack is a harmoniously designed combined shoe rack and console table that makes the best of the narrow space in our hallways, utility rooms or the functional entrance halls. It is made of sustainable sourced oak of the highest quality and its profiles are rounded using artisan craft expertise. The larger top above the shoe rack serves as a console table. It fits three pairs of shoes on each row and twelve pairs of shoes in total. It accommodates all different types of shoes.

Designer's thoughts:

"The aim with this shoe rack was to design a piece of furniture that can store enough pairs of shoes without taking up too much space. At the same time our wish was to utilise the height of the shoe rack for a functional shelf." - Herman Studio

Finish:

Natural oil
treated

White oil
treated

Made-to-order:

Non-standard configurations (special colors etc.) are available upon request at a minimum order quantity
