

Fuuga series

Designed by Busetti Garuti Redaelli, Italy

Fuuga is a series of sofas and armchairs designed by Busetti Garuti Redaelli. The series also includes a version with higher back and noise reducing properties, called Nesting Armchair, which ensures peace of mind, immersion and few disturbances. All designs share the same rounded back, where the armrests meet at a slant, giving the design a distinctive and beautiful expression. Fuuga is made from FSC-certified wood, and the traditional wooden craftsmanship in the base is emphasised by hand-crafted details and authentic materials that complete the design experience.

Meet the designer

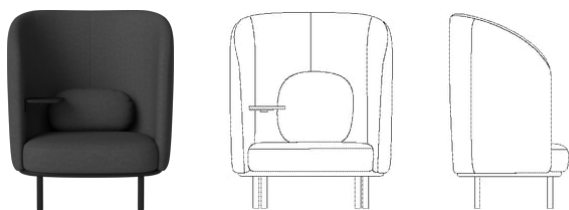

Pour la réalisation de tous nos projets, nous avons pour objectif de créer des solutions simples, à la fois du point de vue technique et formel, privilégiant la facilité d'utilisation et la lisibilité de l'objet. Au cours de ce processus, nous définissons nos idées en réinterprétant des matériaux traditionnels ou innovants pour en faire des compagnons de vie agréables. L'inspiration se trouve partout. Ce qui importe, c'est d'y être réceptif. Nous cherchons à nous laisser inspirer par la plus grande variété possible de stimuli et sommes constamment en quête d'idées nouvelles. Que nous soyons au travail ou non, nous gardons toujours les yeux ouverts. Tel est notre état d'esprit. Une création est réussie lorsqu'elle donne au premier regard l'impression qu'elle ne pourrait pas être autrement et quand, en la regardant plus longuement, on se dit que rien ne pourrait l'améliorer, qu'elle est parfaite !
