

TRAY SHELF

ASSEMBLY INSTRUCTION

WOUND

MY INSPIRATION FOR THE TRAY SHELF
CAME FROM THE NEED TO PLACE MY
COLLECTION OF VASES INTO A SHELF.
I JUST NEEDED MORE FLEXIBLE SPACE.
THE GAP CREATED BY MOVING THE
SHORTER TRAY IS CERTAINLY THE
UNIQUE FEATURE OF THIS SHELVING
SYSTEM. WHILE OTHER SHELVES PRESET
THE SIZE OF AN OBJECT BY ITS HEIGHT,
TRAY SHELF ALLOWS YOU TO PLACE
TALLER OBJECTS ON TWO OR EVEN
MORE LEVELS. NOT ONLY CONVENIENT
BUT ALSO HIGHLY SATISFYING FROM
AN AESTHETIC POINT OF VIEW.

A handwritten signature in black ink, reading "H. Willmann". The signature is fluid and cursive, with a large, stylized initial "H".
