

LIGHT, MEDIUM OR HEAVY DUTY

WITH EXTRA'S

EVERY PUQPRESS COMES
WITH A **2 YEAR WARRANTY.**

The main difference between our stand-alone models is the capacity of tamps they can deliver per week. On top of that, Q2 has extra benefits like a wider pressure range and more tamping profiles. So how many kilos of coffee do you grind and tamp per week on average?

mini LIGHT

FOR YOU IF

Great coffee is the final touch to your business, but you don't serve a lot of cups, or you aspire café level consistency with your home set up.

CONSISTENT QUALITY MAKES ROOM FOR CREATIVITY

Tamping is an important part of a barista's craft, but doing it by hand hundreds of times a day damages shoulders and wrists. So why not let Pugpress deliver **the perfect tamp** for you?

No strain or pain, more time for creativity, craftsmanship and customers.
