

Plan Your Event!

We are so excited to share our love for books and all things art related. Our mission is to reduce the number of books going to our landfills by giving them a new purpose from home decor to paper crafting.

Come and learn the hot foiling technique that can be used to decorate books, journals, bookmarks and more. In this class you will explore ways to accomplish beautiful foiling for all skill levels. Choose between foiling on a book set for home decor or decorate a faux leather bound journal.
