

YOU HAVE A HOMO SAPIENS!

Assembly Instructions:

1. First, carefully push each dinosaur bone out of the panel.
2. Before assembly, use supplied sandpaper to smooth any leftover tabs around the edges of your pet.
3. Put your dinosaur together by joining notches that share a number (1 to 1, 2 to 2, etc.) See example on right.
4. If you have trouble, refer to product images to get a general idea of where each piece goes.
5. Now you have a Boneyard Pet!
