Interested in Enhancing Your Aged Care Environment?

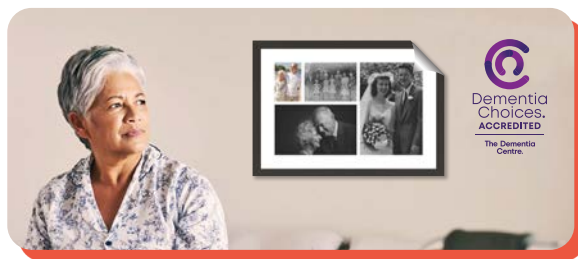

If you'd like to know how print solutions could help residents and staff in your care, get in contact with **The Creative Printer** now. The team will be able to advise you further on our range or offer personalised options to make your residence more welcoming, safe, easier to navigate and dementia friendly.

Introducing our range of Aged Care print solutions

Memory Support Aids

Fostering a home-like environment in aged care residences can help residents to relax, feel more comfortable and navigate their surroundings with ease. The Creative Printer offers several innovative Memory Support Aids including Memory Doors to help people recognise and find their rooms and label decals to help them orientate in their environment.

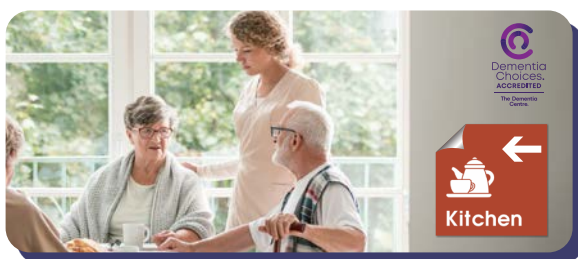

Dementia Certified Range

The print decals in the Dementia Certified range have been accredited by The Dementia Centre and has successfully met stringent dementia-friendly standards. They've been thoughtfully designed to assist people living with dementia in navigating complex environments such as aged care residences. The eye-catching signage helps orientate people whilst mirror covers, personalised memory photo collages and wall prints create familiarity and comfort.

Wall Art

Brighten the environment and lift the spirits of staff, visitors and residents with vibrant, photorealistic-finished interior and exterior wall art. They're perfect for use in hallways, dining rooms, lounge areas, reception areas and outdoor walls, making any space more inviting and less clinical.

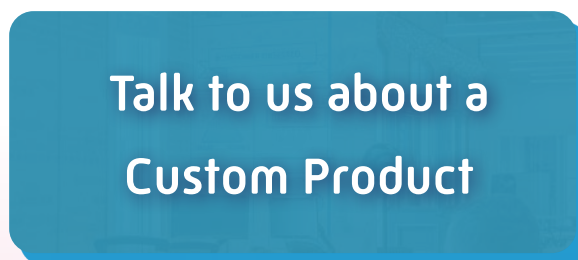

Wayfinding Signage

Accessibility and safety are key when it comes to signage in aged care environments. The versatile and adaptive signage decals at The Creative Printer helps with recognition, navigation and independence. They're available in several familiar fonts, formats, colours and symbols to make a space inviting yet informative.

Whiteboards RPM™

You can turn any flat surface into a whiteboard with our unique removable whiteboard decals. Now medical charts, emergency contacts, routines, rosters and reminders can be kept clear and close at hand. Convenient, reusable and with the option to fully customise any of our removable whiteboard decals, it has never been easier to support staff and residents to see important details.

Anything is possible!

We can customise any of the products in the Aged Care range to suit your needs. Get in touch with our team today to discuss bespoke solutions – any size, shape or design!
