

# Dementia Certified Print Solutions

## Improving environments & supporting people living with dementia

The Creative Printer's Dementia Certified Print Solutions are decals that have been specifically designed to nurture a sense of belonging and independence to make it easier for people living with dementia to interact with their environments.

### What makes our Dementia Certified Print Solutions so special?

Accredited by The Dementia Centre, our print decals all meet rigorous dementia-friendly standards and provide practical solutions that help people living with dementia to live as independently as possible.

Our innovative range of print solutions are decals that are **easy to apply, remove and reapply** to any flat surface. Making them the perfect choice to help create a dementia friendly environment that supports the wellbeing of the person living at home or in aged care residences.

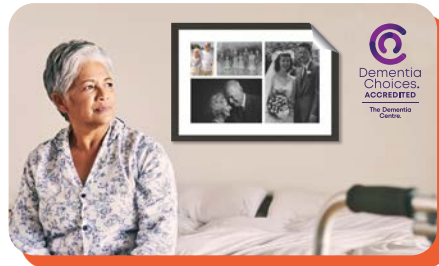

# Our Dementia Certified Print Solutions Range

## Wayfinding Signage

Specifically designed to create a supportive and enabling environment, and to help people with wayfinding and orientation.

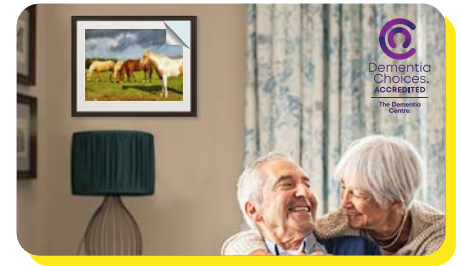

Easily customised to be as clear and meaningful as possible, our wayfinding signage decals come in a wide range of formats, colours, fonts and icons.

## Memory Photo Collage

Easy to apply to an existing frame or printed with a frame to apply directly onto a wall, Memory Photo Collage decals provide a cost-effective way to display priceless memories.

These beautiful collages bring an element of personalisation and familiarity into any room, as well as providing a stimulus for reminiscence.

## Re-Frame Print Solutions

Applied directly to existing frames, Re-Frame print decals replace any disturbing, irrelevant, or unhelpful artwork with attractive images from our wide range of Dementia Choices endorsed images.

Perfect to help people feel more at home in an aged care environment, as well as providing discussion opportunities.

## Print-Frame Print Solutions

When an existing frame is unavailable, images from our Dementia Choices endorsed range can be printed with frames around them enabling application of the decal directly to the wall.

A quick and easy solution to help create familiarity and personalisation to any space, as well as a great way to assist with wayfinding and orientation.

## Mirror Covers

For some people living with dementia, mirrors can be a trigger that causes significant distress, anguish or agitation.

Our Mirror Cover decals are easy to apply directly onto any mirror. Choose from a range of matt-finished images, timber veneer or plain colours.
