

SCHOOL LUNCH

To The Anthony School Families and Staff

We are so excited to serve school lunches again this year. This is very much inline with our mission and vision. We have always advocated for healthier and adventurous eating. We started as a solution to offer healthy meals that not only taste good but also introduce different ingredients, textures and flavors. We minimize the use of refined sugar and all of our school and camp lunches are tree nut, peanut and sesame free. We have worked on creating a menu that's not only delicious, but is also healthier, fresh and balanced. We cook everything from scratch, including sandwich bread, pizza dough, and pizza sauce.

Thank you and we look forward to nourishing your children!

Respectfully,

Sara Hurst
Owner & Chef of Bella's Kitchen and Wellness

TAS FAQs

What if my student has a food allergy?

We do not prepare or serve peanuts, tree nuts and sesame seeds as ingredients for our school lunches. Our team follows ServSafe—standard operating procedures for food storage, preparation, service, and cleanup to avoid cross-contact of relevant allergens in kitchens and food preparation areas. Safe food preparation involves following recipes, cleaning and sanitizing food contact surfaces, using and changing gloves constantly, controlling allergen hazards at the grill and stove. Prior to service, the team reviews dishes and ingredients so that they can inform students what's in them. We work to obtain the safest products possible, purchasing ingredients from companies that use good manufacturing practices and provide consistent, safe products. We also ask food manufacturers to alert us to ingredient changes so we can modify accordingly. However, we cannot guarantee the complete absence of these allergens.

We have a full list of everyone who has allergies from the school administration but if you need to let us know of a new allergen or concern, please add it to your profile or reach out to us. If you have any additional questions regarding allergies and specific ingredients, please e-mail info@bellaskitchenandwellness.com.
