

Foaming Jewelry Cleaner

Safe for most metals and gems including pearls and delicate stones such as opal, turquoise, and lapis.*

*Always test a small area prior to doing a full cleaning.

Directions:

1. Apply foam to jewelry.
2. Allow to soak for 10-30 seconds.
3. Work into hard to reach places with a soft brush.
4. Rinse well.
5. Repeat if necessary.

AVOID CONTACT WITH EYES. NOT FOR INTERNAL USE. IN CASE OF EYE CONTACT, FLUSH WITH WATER FOR 15 MINUTES. IF INGESTED CONTACT PHYSICIAN. KEEP OUT OF REACH OF CHILDREN
