Power Assist for Rigid and Folding
Manual Wheelchairs

cheelcareTM
exceed your reach

POWERFUL MOTOR

The Companion lets you choose from three speeds with a **max speed of 24kmh / 15mph** and only takes **three hours to fully recharge**.

QUICK-CONNECT

The unique mechanism means it **takes under 10 seconds** to connect or disconnect your Companion without the need to unbolt it.

SAFE & SECURE

The Companion locks securely onto your wheelchair for a smooth, stable ride you can trust.

TIGHT TURNING RADIUS

The Companion features a tight turning radius to deliver outstanding maneuverability in tight spaces.

LIGHTWEIGHT

The Companion **weighs less than 10kgs / 20lbs** making it easy to load and unload from your vehicle when you're on the go.

IMPROVE YOUR ENDURANCE - COMBAT FATIGUE - TACKLE MORE TASKS

REDUCE PAIN - DECREASE JOINT AND MUSCLE WEAR

The Companion Power Assist gives your body a helpful boost or a complete break when needed.

COMPATIBILITY

The Companion Power Assist is compatible with most rigid and folding manual wheelchairs, both adult and pediatric wheelchairs. The handlebars are height and angle-adjustable for maximum comfort and adjustability.

To confirm compatibility with your wheelchair or if you require a customized solution, please contact Cheelcare or your authorized local vendor.
