In debt, in love and out of options, Xavier Toby is back slogging it out in the mines.

In *Going Out of My Mined*, the hilarious sequel to *Mining My Own Business*, Xavier attempts to pay off the stubborn credit-card, stay off the booze, keep a long-distance relationship and juggle a stand-up comedy career. Donk the Safety Guy, Jonno, Pando, Jokka and Dale are all back in top form, surviving floods, crazy outback driving and death-by-paperwork.

Perfect for anyone who's ever had a drink, had a job or been dumped, Xavier Toby's tales from an undisclosed mine is an amusing look at the engine room of our economy and the folk who run it.
