AUSTRALIA-WIDE ANNEXE

The Australia Wide Annexe is Xtend Outdoors' most popular annexe & has been designed from more than 15 years of product research.

Featuring a canvas upper and vinyl base, custom made to suit almost any size van and awning. This is the most flexible model making it perfect for longer trips away. The Xtend Outdoors installer team can also install your Annexe at any location Australia-wide.

The Australia-Wide Annexe easily attaches to your awning with the included Anti-Flap Kit (AFK) and Curved Roof Rafters (CRR). Layout 1 includes 1 AFK and 1 CRR, Layout 2 includes 1 AFK and 2 CRR, and Layout 3 includes 1 AFK and 3 CRR.

Each wall is made from breathable canvas tops and an easy to clean vinyl bottom and can be set up in 20–30 minutes. The pieces of the annexe are either attached by zips or velcro for a hassle free installation whenever or wherever you set up camp. Designed to be 95% water proof with in draftskirt.

The Australia-Wide Annexe features triple-layered windows and doors. Mesh for ventilation, canvas for privacy and a detachable clear plastic layer for rain and wind. The clear plastic layer can be removed if needed thanks to the velcro attachment. They can handle nearly any weather the world throws at you with a 80km/hr wind rating.

FEATURES

- Includes Anti-Flap Kit & Curved Roof Rafter(s)
- Breathable and easy to clean
- Triple layered windows & doors
- Interchangeable zip-out arches
- Available in 3 different layouts
- Individual walls for quick set up
- 80km/hr wind rating
- Includes draftskirt, storage bag, poles, screw pegs & set up instructions
- Flexible & generous 3 year warranty

INFLATABLE EXTENSION ROOM

The Inflatable Extension Room is the perfect addition to your Australia Wide Annexe if you need extra enclosed space.

This room is extremely easy to install. Simply zip it into any wall on your annexe that has zip in arch panels, inflate, peg down and you're good to go.

Expanding your living area, this extension can be utilised in a range of ways like an extra bedroom, kids playroom or enclosed living or storage space.

With inflatable ribs and arches, the Inflatable Extension Room is incredibly light to transport and is set up in a matter of minutes.

Including 3 windows, doors with extra screens, a velcro-in vinyl floor and partition wall, Xtend Outdoors have thought of everything to make this addition an incredibly functional and adaptable space.

To inflate the Inflatable Extension Room you can either use the included hand pump or inflate with an electric 12V pump.

FEATURES

- Suitable for use on Australia Wide Annexes with zip in arch panels
- Quick & easy to install and inflate
- Heavy-duty material for protection from the elements
- Can be installed on either the end wall or long side wall of your annexe
- Includes hand pump, floor, ladder straps, repair patch & storage bag

FABRIC COLOURS

Black Base & Grey Upper Grey Base & Upper

PLEASE NOTE:

- *Annexe, Zip In Arch Panels & Anti Flap Kit not included*
- *Zip In Arch Panels required to install extension room*
- *When fitted to the long side wall the extension room may not fit perfectly, there may be some distortion due to the annexe wall sloping on the long side wall*

PORCHES

Caravan porch awnings, also known as caravan lightweight awnings, are the best solution for smaller vans and shorter holidays.

Want to spare yourself the hassle of fixing and pitching a heavy awning during your getaway? Porches are a much smaller and lighter style of awning that is much easier to transport and comfortable to pitch, yet providing you with all the space, comfort and shade an awning can offer.

Xtend Porches are available in a wide range of sizes to suit your specific needs, and suitable for various camper and caravan models. The caravan porch awnings make your camping life more joyful with all the additional room and comfort it imparts. They are also a great option for the owners of small caravans who want to spread themselves out while parking themselves at the camp-sites.

BBQ PORCH

The BBQ Porch is a great addition to extend your living area, cook on your BBQ, or to simply provide a dry, shaded area to relax under. This simple set up porch has a heavy duty vinyl roof that withstands many weather conditions.

For installation, this BBQ Porch requires either, an Anti-Flap Kit or Fiamma Fast Clip System.

FEATURES

- Heavy duty vinyl roof
- 2000mm length
- Full frame design for sturdiness and support
- Velcro around edges to attach extra walls
- Reversible, set up on either the front or rear of the awning
- Wind Rating 40km/hr
- Easily slides into an Anti-Flap Kit

L-SHAPE PORCH

The Xtend Outdoors L-Shaped Porch provides added undercover living space to your van and annexe, whilst providing extra protection from the sun or the rain. It can also be used to create a BBQ area, storage for outdoor equipment or simply to provide a dry, shaded area to relax under.

This porch projects out from the front of your annexe and continues around the front of your van, covering the A-frame. This porch kit comes complete with everything you need for a quick and easy set up and pack down.

FEATURES

- Additional undercover space
- Provides a dry area before you enter your annexe or van
- Fits majority of awnings
- Quick and easy set up
- Heavy duty vinyl roof
- Includes Curved Roof Rafter

PORCH WALLS

Add extra shade and wind protection to your porch with Xtend Outdoors' range of porch walls.

Xtend Outdoors has a range of porch walls to give more privacy and shade to your BBQ porch, Mini BBQ Porch or L-Shaped Porch. Simple to install but attaching via velcro or sliding into an Anti-Flap Kit.

PORCH SIDE REVERSIBLE SHADE WALL

PART NUMBER: X018612

Manufactured from our premium shade mesh, this porch wall provides privacy and is designed to stand up to the elements. This easy set up shade wall uses Velcro to attach onto either the front side of the porch or back caravan side.

- Made from an extra strong 92% residential mesh
- Reinforced edging and eyelets
- Extension straps and pegs make set up quick and easy
- Carry Bag included

PREMIUM REVERSIBLE END SHADE WALL

PART NUMBER: X018535

The Premium End Shade Wall is perfect for giving you privacy and convenient protection from the elements on your porch. These high-quality shade walls incorporate a zip in the middle of the panel for the ultimate layout flexibility. The Reversible End Shade Wall fits perfectly onto your porch end.

- Lightweight and easy to set up
- Centre zip for layout flexibility — roll up one half or both
- High-grade residential blind fabric in polyester
- 3-layers of reinforcing around the edges
- One piece spline on top to easily slide into an Anti-Flap Kit
- Can also be installed with the Velcro straps onto awning arms

STANDARD ANNEXE WALLS

The Aussie Traveller Standard Annexe Walls allow you to create an additional room to your caravan or RV.

Adding walls to your awning forms an annexe on your caravan, motorhome or RV. This allows you to enjoy the comfort of a secure, private and spacious addition to your living area.

Walls can be added to suit most popular rollout or cassette awnings in the marketplace, as well as Aussie Traveller's own extensive range of awnings.

Aussie Traveller walls are available in a wide range of traditional striped or plain canvas. The variety of colours of canvas on the Standard Walls are sourced locally to support the Australian manufacturing industry.

INCLUDES

- 2 x end walls featuring 2 full height windows/doors with midge-proof flyscreens
- Vinyl mudflaps on all walls
- 1 x long side wall with 1 or 2 6' wide, full height windows/doors with midge-proof flyscreens
- Twist lock action with peg tie down loops
- 1 x peg bag
- 10 x large tent pegs
- 6 x small tent pegs
- Wind skirt included

PLEASE NOTE:

- *Fitting these walls to your awning requires an Aussie Traveller Anti-Flap Kit*

For full specifications, measurements and pricing please contact us or speak to one of our sales reps.

FEATURES

- Australian made coated polyester and cotton canvas
- Provides a wind & waterproof addition to your RV or caravan
- Door & window sizing/positioning can be customised to your needs

BRISBANE SHOWROOM: 11-15 Oasis Court, Clontarf QLD 4019 | MELBOURNE SHOWROOM: 235 Barry Road, Campbellfield VIC 3061

CUSTOM ANNEXE WALLS

The Aussie Traveller Custom Annexe Walls allow you to add walls to your awning to make a room, with all the additions you need.

Aussie Traveller can custom make annexe walls to suit your individual needs and vehicle. In a range of plain and striped colours, made using durable, easy to use Australian-made coated polyester or cotton canvas.

You can have the option to customise the standard annexe kit to have half-height windows instead of the standard full height. Any windows or doors you need can be made into our custom annexe. Additional flies, extra walls, floors, pole supports or add-on rooms can also be tailored to your annexe.

Adding walls to your awning forms an annexe on your caravan, motorhome or RV. This allows you to enjoy the comfort of a secure, private and spacious addition to your living area.

Walls can be added to suit most popular rollout or cassette awnings in the marketplace, as well as Aussie Traveller's own extensive range of awnings.

Please contact our friendly sales team to organise your custom annexe.

FEATURES

- Australian made coated polyester and cotton canvas
- Provides a wind & waterproof addition to your recreational vehicle or caravan
- Door & window sizing/positioning can be customised to your needs

For full specifications and pricing see our website. For trade & wholesale pricing please speak to one of our sales reps.

BRISBANE SHOWROOM: 11-15 Oasis Court, Clontarf QLD 4019 | MELBOURNE SHOWROOM: 235 Barry Road, Campbellfield VIC 3061

EUROWALL ANNEXE KIT

Our EuroWall fabric is a lightweight European fabric that has been tested in Australian conditions for over 15 years.

Add our EuroWall annexe to your caravan, motorhome or RV so you can enjoy the comfort of a secure, private and spacious addition to your outdoor living area.

Manufactured in Australia, the EuroWall annexe is designed to suit various brands of roll out or wind-out awnings, as well as Aussie Traveller's own Coolabah and Sunburst awnings.

Our EuroWall annexe features zip-in/zip-out midge-proof flyscreens on all doors and windows. The side wall window can be replaced with a clear zip-in plastic panel for the rainy days (plastic panel not included). All walls come equipped with a vinyl mud skirt and windskirt for additional weatherproofing.

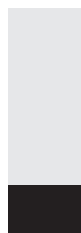

INCLUDES

- 2 x end walls featuring 2 screened windows/ doors & vinyl mud skirt
- 1 x long side wall with 1 or 2 full height screened windows & vinyl mud skirt
- 2 x touch-tape returns
- 2 x corner poles
- 10 x 8mm pegs
- Wind skirt included

PLEASE NOTE:

- *To fit these walls onto your awning you will require an Aussie Traveller Anti-Flap Kit*

FABRIC COLOURS

LIGHT GREY
WITH BLACK
MUD SKIRT

FEATURES

- Durable and easy to clean
- Lightweight European material
- Custom made to suit your awning
- Removeable zip-in / zip-out midge-proof flyscreens
- Plastic clear zip-in panels for rain protection also available
- Simple installation — just slides into your Anti-Flap Kit

For full specifications and pricing see our website. For trade & wholesale pricing please speak to one of our sales reps.

BRISBANE SHOWROOM: 11-15 Oasis Court, Clontarf QLD 4019 | MELBOURNE SHOWROOM: 235 Barry Road, Campbellfield VIC 3061

The Aussie Traveller premium Sunblocker Walls deliver the best quality, protection and functionality.

The Sunblocker Walls will protect you and your family from the harsh Aussie sun. These ventilated partitions are perfect for busy campgrounds providing a barrier between you and your neighbours while keeping your campsite cool and protected. Provides UV protection and 60% light reduction, reducing the temperature inside.

Made from our Textiline® fabric which is an outdoor furniture grade coated polyester fibre that is exceptionally strong and durable. Extreme tested to ensure you get years of recreational use.

The Sunblocker Walls have a 1950mm drop and will fit with most styles of awnings. Finished off in a neutral grey colourway the Aussie Traveller Sunblocker Walls will blend in with any awning or caravan colour.

FEATURES

- Available in End Walls or Long Side Walls
- End Walls are available in 2 styles for either Pop-Top or Full Height caravans and motorhomes
- Long Side Walls suitable for roll-out awnings 2750 - 5800mm long, and cassette awnings 2900 - 5400mm long
- Fits most brands of awnings
- UV Protection and 60% light reduction
- Cool ventilation
- Strong and durable Textiline® fabric
- Built in eyelets and hemmed bottom edge allows for use with ropes and pegs to create tension
- Carry bag included

For full specifications and pricing see our website. For trade & wholesale pricing please speak to one of our sales reps.

Shade walls are what you need if you want to add some shade and privacy to your caravan awning without venturing into a full annexe.

Want to add an outdoor room to your awning? It is easy with the use of Xtend Outdoor Shade Walls.

Our range of different sizes and types of privacy screens and floor mats ensures that you find just the right type to suit to your specific need. These work well with majority of the popular awning brands. Once you are sure about the type of camper shade you wish to buy, ideally the next step you should take is to measure your caravan to make sure that the type you have selected, fits well with your awning.

The Xtend Outdoors Shade Walls come in standard sizes and also custom sizes to perfectly fit your vehicle.

PREMIUM REVERSIBLE END SHADE WALL

The Premium End Shade Wall is perfect for your caravan, motorhome or camper, giving you privacy and convenient protection from the elements.

These newly designed high-quality shade walls incorporate a zip in the middle of the panel for the ultimate layout flexibility. The Reversible End Shade Wall fits perfectly on either the front of your awning or the rear.

- Lightweight and easy to set up
- Centre zip for layout flexibility
- Roll up one half or both
- New design with a modern stylish look to match any vehicle.
- High-grade residential blind fabric in polyester
- 3-layers of reinforcing around the edges
- One piece spline to easily slide into an Anti-Flap Kit (not included)
- Can also be installed with the Velcro straps onto awning arms
- Includes pegs and bungee straps to secure wall to the ground

PART NUMBER: X018535

For full specifications and pricing see our website. For trade & wholesale pricing please speak to one of our sales reps.

Quick and easy to install and available in various lengths to suit any awning size.

MICHELLE PIKE ART SHADE WALLS

Colour your world with our Art Shade Walls! Xtend Outdoors is proud to have an exclusive collaboration with Sunshine Coast artist Michelle Pike to create these statement Shade Walls.

Add some fun and colour to your setup with Michelle's Shade Wall designs!

FEATURES

- Lightweight & easy to set up
- Modern & stylish designs
- Made from high-grade residential blind polyester fabric
- 3-layers of reinforcing around edges
- 92% protection from the sun
- UV inks prevent fading
- One piece spline across the top
- Includes carry bag, pegs & bungee straps to secure wall to the ground
- Exclusive art by Michelle Pike
- Australia Map prints
- Custom design supplied by you!

SPECIFICATIONS

- Art Shade Wall Height: 200cm
- When measuring the length of your awning, be sure to measure from centre of arm to centre of arm.
- Please note that all shade wall lengths are approx. 300mm (1ft) shorter than the awning arm to arm measurement - Not the length of your awning. E.g, 16ft awning has a 15ft fabric.

All designs are pictured on following page.

For full specifications and pricing see our website. For trade & wholesale pricing please speak to one of our sales reps.

THULE
SWEDEN

THULE WALLS

Thule's range of walls provides privacy, wind protection, rain protection and sun protection for you caravan or motorhome.

Suitable for all Thule caravan awnings, Thule panels let you create additional privacy as well as protection against the sun, wind or rain. The wide range of front and side panels can be combined in many ways for optimal protection. The front panels can also be rolled up when they are not in use.

Installation is quick and easy. The front panels slide into the awning lead rail while the side panels slide into an aluminium rafter, which is included with the side panel and mounted between the awning's cassette and lead rail. You can also easily combine with other Thule panels or even use a side panel to combine with an awning tent.

The Thule smart panels range covers Sun Blockers, View Blockers, Windscreens and Rain Blockers, you'll be able to make the perfect extra room using these walls and handle nearly all elements thrown at you. G1 is the first generation of Thule walls with G2 being the current generation.

For full specifications and pricing see our website. For trade & wholesale pricing please speak to one of our sales reps.

SUN BLOCKERS

The Thule Sun Blocker creates a breathable, shaded area without letting in the sun. The Thule Sun Blocker G2 Front and Side Wall are suitable for all Thule awnings and compatible with other brands of awnings as well.

Many possibilities to combine other panels and combining a panel with the Thule QuickFit.

Available in different sizes depending on your awning length, projection and mounting height.

THULE SUN BLOCKER G2 FRONT WALL

FEATURES

- Lets the breeze in while keeping the sun out, without loss of view
- Easy and quick installation:
 - The panel easily slides into the awning's lead rail
 - All front panels can be rolled up and are fixed with a side release buckle
- Fabric material:
 - Micro-aired screen fabric, a transparent and light screen fabric
- Includes:
 - 1 front panel
 - Pegs and ropes to fix to the ground

RAIN BLOCKER G1 SIDE WALL

Thule Rain Blockers provide protection against the rain and wind without compromising your view.

The G1 is the previous generation of Thule Rain Blockers. The quick and easy installation of the wall slides into the Thule rafter and suits Thule 8000 and 6900 awnings.

With a durable PVC clear panel featuring in these smart panels, you can stay safe and dry but still enjoy the scenery.

FEATURES

- Extra large clear plastic end wall for Thule awnings
- Protect against the wind and rain
- Suits Thule 8000 wall mount or Thule 6900 roof mount awning
- Durable PVC clear material
- Enjoy outdoor views whilst keeping the weather out
- Hangs from a Thule rafter
- Suits 2.75m projection
- Suits 2.6m to 2.9m back wall height

RAIN BLOCKERS G2

Front and side privacy panels for Thule awnings to protect against rain and wind. Each panel has a large transparent window keeping the light coming in to create a spacious feeling. Available in different sizes depending on your awning length, projection and mounting height.

The front panel is suitable for all Thule awnings and easily slides into the awning lead rail. The side panel slides into an aluminium rafter installed between the awning's cassette and lead rail. The side panel can be installed on both sides of the awning with the same rafter.

THULE RAIN BLOCKER G2 FRONT WALL

FEATURES

- Offers protection against rain and wind while keeping the incidence of light thanks to the large window
- Easy and quick installation:
 - The panel easily slides into the awning's lead rail
 - All panels can be rolled up and are fixed with a side release buckle
 - Smart connections allow for various possibilities of different panels
- Top-quality PVC fabric with welded connections on the fabric
- Includes:
 - 1 front panel
 - Smart connectors connect with other Thule Rain Blocker G2 Front Panels
 - Pegs and pins to fix to the ground

Measuring for Front Wall

A = Approximate height of the panel
B = Approximate length of the panel

LENGTH (B)	HEIGHT (A)	SIDE PANEL FITMENT	WEIGHT	PART NUMBER
1.27m	2.1m	Small	2.2kg	05300020032000
1.92m	2.1m	Small	3kg	05300020027000
1.02m	2.3m	Large	2kg	05300020023000
