DC DOORS

The Aussie Traveller DC Doors are the ultimate caravan doors with their sleek design and security features like no other.

Aussie Traveller DC Doors provide everything from security to sleek design, featuring a unique shaped tinted acrylic window, outer door, security door and our triple compression lock system.

The Triple Compression Lock system provides the security and comfort of a true security door while also giving the option to let the breeze come through without compromising your safety.

The Midge-proof flyscreen made from high-strength fibreglass on the security door stops bugs as small as midge flies from entering your caravan while the labyrinth vent prevents dust coming into vehicle.

Available in a wide range of sizes, rounded or square frame corner options, left or right-handed hinges and in black or white to suit any caravan.

To complete your DC Door set up consider the DC Doorblind for extra privacy or our DC Door Bin for a convenient, space-saving and stylish waste receptacle.

MIDGE-PROOF FIBREGLASS FLYSCREEN

PLEASE NOTE:

- *Not suited to Motorhomes & Campervans.*

For full specifications and pricing see our website. For trade & wholesale pricing please speak to one of our sales reps.

THE DC DOOR TRIPLE COMPRESSION LOCK SYSTEM

Firmly close the door with the inner and outer doors connected.

Ensure the centre lock tongue engages the centre striker plate.

COMPRESS DOOR FOR TRAVEL:
Turn handle **TOWARDS** door hinge.

UNLOCK & OPEN DOOR:
Turn handle **AWAY FROM** door hinge.

When you feel the door compress and is firmly secure, bring the handle back to center.

Lock the door using the entrance door key.

SERVICE DOORS

Aussie Traveller's Service Doors provide easy external access to storage compartments in your caravan or RV.

Perfect for outside kitchens, barbeques, fridges and generators, Aussie Traveller Service Doors are fitted with 180° door hinge openings allowing maximum access so it's easy to grab what you need.

Aussie Traveller's range of service doors feature robust aluminium frames, insulated panels and keyed locks. Available in black or white frames, they will complement any vehicle. Made with internally powder-coated aluminium with foam insulation and no external cladding, the Aussie Traveller Service Doors can be fitted with 1–3mm checker plate external faces.

Service Doors do not come with gas struts, but can have gas struts installed as an extra level of detail to your storage compartments.

For extra security, the service doors feature self-tightening key-locked handles that can be keyed alike with Aussie Traveller's DC Door.

FEATURES

- Powder-coated aluminium frame
- Available in black or white
- Single or Twin-Lock options
- Aluminium hinge available in top, bottom or side hinged configuration
- 180 degree door hinge opening
- 4 rounded corners

SPECIFICATIONS

- Sizes are overall frame sizes measured height x width
- Wall Cut-outs are H+3 x W+3
- Corner radius 68mm
- Please note actual door opening is 50 x 50mm (HxW)

PLEASE NOTE:

- Front door panel not included on all sizes. If a full door panel is required, please advise Aussie Traveller sales team. Standard door supplied to have front panel installed when door is fitted to RV.
