ROLL-OUT AWNING CLOTHESLINE

The ultimate space-saving laundry solution for your caravan.

The innovative Awning Clothesline cleverly attaches to your awning, providing the ideal area for drying clothes during your travels.

No complex installation required as it simply attaches to either the inside or outside of your awning. This clothesline is extremely strong and will fit awnings measuring between 8-25ft. It also comes with a carry bag.

The innovative design also helps to protect your roll-out awning from distortion of the awning tube and frameset. Installation of the Aussie Traveller Roll-Out Awning will not void your awning warranty, unlike other models currently available.

FEATURES

- Space saving & durable
- Simple to set up
- Options to suit most roll-out awnings
- Carry bag included

PLEASE NOTE:

- *There is 18m of cable supplied, only use 2 lines on awnings over 17ft long.*

PORTABLE TURBINE WASHING MACHINE

The lightweight, mini size washing machine is convenient & portable.

The Portable Turbine Washing Machine is an independent washing machine chassis that can be hung on the water bucket wall or placed on the bottom of the bucket or container barrel by using the 3-strong rubber suckers.

The Mini Rotating Washer with USB Cable is perfect for traveling, camping or other times when quick and small loads need washing.

The device can rotate bidirectional, clockwise and then anti-clockwise to make cleaning more effective.

Automatically shuts down after working for 30 minutes. Runs off standard 5V, 2amp, 6W USB power supply, the clothes or cutlery are continuously cleaned for 15 seconds in each direction, running through the 4 program cycles over the wash period.

FEATURES

- USB charging cable
- Carries 1kg of aqueous laundry weight
- 4 program wash cycle
- Suitable for children's washing
- High frequency, high flow rates remove dirt effectively and quickly

TOP-LOADER WASHING MACHINES

Forget trying to scrounge up coins for the communal laundry with this compact top-loader that fits right into your caravan or RV.

Aussie Traveller's new range of top load RV washing machines are now available, adding to the ever-growing range of Aussie Traveller RV and caravan specific products.

Featuring 2.5kg and 3.2kg capacity models, all Aussie Traveller Washing Machines are top loading 240 Volt (240V) cold water inlet with left hand or right hand water outlet choice. They also feature lint filter, water inlet filter, a stainless-steel wash drum and full wash cycle choices. Choose from rapid wash all the way to a full cycle wash.

The Aussie Traveller washing machines also contain a carry basket, that also works as a drum stabilizer, and full rubber hose assembly.

These compact washing machines are a great addition to your vehicle as they are lightweight, the 2.5kg weighs 17kg and the 3.2kg model weighing 18.5kg.

FEATURES

- Cold water wash
- Full wash cycle range
- White body profile with grey frosted top lid
- Easy to read display
- Full range of spare parts available
- Includes carry basket
