

ONLINE PORTAL

Discover our all-in-one portal for managing curriculum, resources & activity logs. Save time, improve communication & make informed decisions with our streamlined platform.

Real Time Needs Assessment

01

Monitor the peer helpers' referrals and determine the topics & issues that are trending on your campus as they happen

Quick Access of Prevention & Support Efforts

02

Enables you to seamlessly align prevention strategies with students' social, emotional, and behavioral needs

Seamless Program Implementation

03

Effortlessly access all the necessary resources for implementing the Peer Helpers PLUS program (includes both *path* & *peer helpers* components)

Easy Tracking

04

Monitor the progress of curriculum delivery, peer-to-peer support numbers, and peer helper information
